All Active members participate in one Standing Committee or Individual Representative and serve on a Continental Breakfast Committee. New members are on the June Picnic Committee. Responsibilities also include Gifts & Greens Market and the Garden Walk.

A New Members Orientation (you'll be invited in the spring or fall) is required so that you can receive detailed information about Branch committees, activities, projects and so that we can answer any questions you have.

All members agree that images can be used for publicity purposes.

Committees: New Members are automatically on the June Picnic Committee. Please select any additional committee(s) you would like to join as an active participant.
